

Medicare Part D

Resource Center for Pharmacists

March 2009

Pharmacists can now get answers to all of their Medicare Part D questions on the newly redesigned **MEDICARE RESOURCE CENTER** website.

This site, developed by NCPA and its affiliate Pharmacist e-Link, provides Pharmacists with a one-stop resource for everything related to Medicare Part D, including:

- ✓ Today's Medicare news
- ✓ Interactive polls
- ✓ Questions to ask when contracting with a Medicare plan
- ✓ Reminders about providers marketing guidelines
- ✓ Enrollment deadlines
- ✓ Medicare bookstore
- ✓ Free Medicare continuing education programs for Pharmacists

Go to — www.medicareresourcecenter.com — to review what all there is to offer.

In addition to providing detailed information about Medicare Part D, this site also features brand-new content about the Medicare Advantage (MA) program. The site explores the types of MA plans, as well as, provides the answers to many frequently asked questions about the program.

This site is geared toward Pharmacists, but can also provide helpful information to Medicare patients and their caregivers, including information about the donut-hole, low-income assistance programs and other Medicare basics.
